

**QUALITY, HEALTH, SAFETY AND ENVIRONMENTAL POLICY  
OF  
NAMA DEVELOPMENTAL ENTERPRISES**

- We, at NAMA are committed to provide services related to sponsoring of major contractors and trading of equipment and spare parts that will meet 100% of our client's expectations, while ensuring the health & safety of all personnel and the protection of the Environment.
- We will ensure that the client receives the requested equipment/service in the best manner. We will achieve client satisfaction by quoting appropriate cost and abiding by the intended time schedule to achieve the expected satisfaction of our clients.
- Support our Principals in their efforts towards QHSE and oblige them to supply products, systems and services, which comply with our customers and our QHSE policy.
- Ensure that our policies, processes and practices are in line with health, safety and environmental standards, including:
  - a) Water Usage and Management
  - b) Energy Conservation.
  - c) Resource Use / Waste Management.
- Ensure the implementation of preventive and defensive measures to avoid any pollution to the environment and to prevent injury and ill health.
- Ensure:
  - 1. Safety at work place.
  - 2. No fires.
  - 3. No damage to the environment.
  - 4. Order and cleanliness.
- We will ensure that the views of our staff are communicated and considered in making our QHSE decisions that affect their health and safety.
- We will establish objectives and targets to encourage continual improvement in QHSE system and developing the skills and expertise of our employees who will be suitably qualified to use advanced technology and who understand that quality , health , safety & environment are the most important aspects of their work.
- We aim for the continual improvement in our Health, Safety, Environmental & Quality performance while complying with the applicable Local & Federal Regulations. Conform to all applicable statutory, regulatory and environmental requirements.
